TRAINING AND EDUCATION FOR COMMUNITY HOUSING PROVIDERS

As recommended by ASCHA's Community Housing Education Ad-hoc Working Group, we have conducted a training needs assessment survey. Based on the [results of this survey](#), we have begun developing training opportunities targeted to community housing workers. Stay tuned for updates!

We are looking for volunteers to join our Community Housing Education Working Group. If you are interested in being a part of this working group, please [contact us](#).

HOUSING 101: INFORMATION SESSION FOR MUNICIPAL ELECTED OFFICIALS

On Feb. 17 ASCHA will be hosting a virtual session for municipally elected officials with the outcome of strengthening understanding of the housing continuum in Alberta. We will be exploring the roles of municipalities in housing provision, and the potential impacts on seniors and community housing embedded in the new provincial affordable housing strategy and government-led transformations in continuing care and home care. Please share this session information with all council members. The content will be relevant to all elected officials, not only those who sit on HMB boards. [Register here!](#)

ASCHA TRAINING PROVIDER MEMBERS

ASCHA's Training Provider Associate Members are valued collaborators in building capacity and enhancing the seniors and community housing sector. If you are looking for professional development opportunities, you can reach out to our [members](#).

Under the strategic priority of Member Engagement, we provide opportunities for member engagement and support a high level of performance. Through connections, knowledge, expertise, research, and program development, we advance member knowledge by providing access to integrated platforms for operational and industry resources and best practices that support member education and service excellence. We deliver this education newsletter twice a year to notify our members of current educational offerings, integrated operational resources, and other education-related initiatives.
